Well, the new equipment is in!!!! Yeah! Isn't it great. Thank you to all of you who have supported our efforts.

Our next fundraiser money is earmarked for permanent canopies for each playground.

It is very hot back there, so I think this would be a great addition to our play area.

We'll keep you posted on our next fundraiser!

Summer Kicks off to a Warm Start...

Well, here we are into July already. Every year spins faster and faster. I wanted to take a few minutes and reassure you that during this warm spell, the children are being lubed up with sunscreen several times a day and in addition, we have purchased bug spray to apply in the am and pm to protect from mosquitoes.

The water bottles are being brought outside for extra hydration opportunities and taken along when they go for walks through the neighborhood.

We are trying some more cold lunches with fresh fruits and sandwiches, lunch meats, cheeses and crackers as a nice change from the hot foods we

*God bless America
And keep us safe and free—
Safe from all our enemies,
wherever they may be...
Teach us to walk humbly
And closer in Thy ways,
Give us faith and courage
And put purpose in our days,
Make each one of us aware
That each must do his part,
For in the individual
Is where peace must have its start
For a better world to live in
Where all are safe and free
Must start with faith, hope and love
Deep in the heart of me...*

Vacation Reminder:

Each classroom has a calendar where you can write in when your children are not going to be here. During the peak vacation weeks, if we know many families will be vacationing—I can offer my staff an opportunity to have off an extra day with their own children and families; so

MISCELLANEOUS REMINDERS

Just a reminder that tuition is due by the end of the month for that month's services. Cash flow is light in the summer months, so payments need to be kept current in order for us to meet our obligations. If you have any questions regarding your tuition, please stop at the front office and one of us will be able to help you figure it out. Thank you very much.

Field Trip Permission Slips

We insist the field trip permission slips be turned in on time with any fees that accompany them. We can not be organized if we do not know how many kids are coming and we can not prepay when necessary if people are not turning in their slips on time. Please be organized or we will be forced to decline late permission slips.

Auto Pay Is A New Option

that seems to be catching on. You can choose weekly, bi-weekly or monthly. Stop in and get a form if you are interested in this efficient payment option.
