Questions about Pre-K

Many of you have been inquiring about the KUSD Pre-K and the ELCDC Pre-K programs . . . similarities and differences. We have an annual Parent Information Meeting every January. We will again, be inviting all parents who's children will be in the PreK age group to attend this very important meeting. We do mail these home instead of putting them in a cubby. We feel it is very important someone attend, to get all the information to make an informed decision.

Take A Moment....Please

Here we are heading into October already!!! OMG — where does the time go?

There are a few items I would like to address, so please take a moment to read through this short newsletter...then file it away for future reference. (I suggest a manila folder for all ELCDC financial statements and Parent Letters)

+++++

Paperwork is Required

The session has started off smooth. We ask that you please return any forms that the staff have requested for your child's file; as we are mandated to have this information and if our DHFS agent pops in and checks files, you will be fined if your child's file is incomplete.

+++++

Don't forget to leave a sweatshirt/jacket and maybe a hat for outside.

Tuition and Fees

Just a reminder—we bill out tuition monthly based on your enrollment. Each calendar month is different depending on the 1st day of the month and the final day of the month, so, look at the calendar in the lobby and notice we have calculated how many M, T, W, T and Fridays there are in each month times (x) your child's rate. There is a table to help you . Once you have your monthly amount, you may split this into as many payments as you want. Some people split it into 4 payments— others pay it all at once... **WE DON'T CARE...**We just need you to pay it 2 days before the end of the month. With the strained economy, you will NOT be allowed to fall behind this year without risking your child's enrollment. So, please ask if you have any questions .

ELCDC WEBSITE

Ms. Linda sat with one of the computer people from Platinum Systems. They have the mailing list completely ready for batch mailings, so keep an eye on your email this month.

Fall is upon us... Leaves are changing, air is chilly, pumpkins, mums, caramel apples... thoughts of Halloween

If you've logged on to the website and entered your email info—we will be doing a test run for sending out reminders & communications. If you have not seen our website.. you just might want to "get with the program." 😊

Do You Want to Order Holiday Pies...?

Last year, we had a little pre-holiday pie sale through our regular food distributor. It went really well and I wondered how many people might be interested in doing that again.

We chose the traditional pies people might make for the holidays, but a more gourmet

style. We also did a variety of crème pies. Many of you were very happy with that...so if you could let me know, maybe through email — elcdc@hotmail.com; or stick a note in with your payment, I would like to begin looking at that for a Mid -November

Delivery. Just in time for the Thanksgiving or December Holiday Dinners...

Banana, Coconut, French Silk, Chocolate, Apple Crunch Pie, were some that went very well...let me know what you think.

Thanks!
